

# NHS test and trace service scam

If somebody phones you and says they are from NHS

- **DO NOT** give your bank account
- **DO NOT** give any social media passwords
- **DO NOT** give any PIN numbers out
- **DO NOT** buy anything
- **DO NOT** pay for a test
- **DO NOT** go to a website that does not belong to the Government or NHS.

If they ask you to do any of these things, **hang up.**  
**Report the call to the Police**

**A real NHS caller will never ask any of these questions.**
