

# EQUIPMENT HOUSE

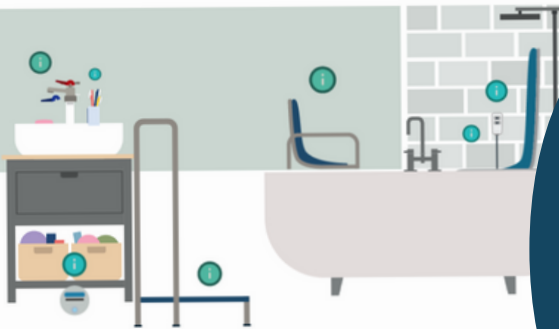

Equipment is available that can assist you with everyday activities in your home. They can help you live more independently if you're older or disabled. Equipment can range from daily living aids to mobility equipment designed to help with different day-to-day activities.

Leeds Directory's [Equipment House](#) is an interactive online tool that showcases a variety of equipment that is available to make living independently easier and safer.

## Equipment to help with day-to-day activities.

- Equipment to help prepare and cook food.
- Home security
- Walking assistance
- Showering and bathing equipment
- Smart technology
- Slip-resistant materials
- Grabbers and reachers

## Home Adaptions

- Ramps
- Step alterations
- Grab rails and banisters
- Wider doorways
- Stairlifts
- Wet floor/walk-in showers
- Tradespeople to undertake work

When using the Equipment House, you will find information and links to more resources that are available to people in Leeds including user guidance, advice and self-assessments. Leeds Directory also contains information on maintaining your home and garden including listings for vetted and checked tradespeople. [Visit the Leeds Directory website.](#)

Equipment can be privately purchased from a wide range of retailers both online and on the high street. Some equipment can also be loaned free of charge by Leeds Community Equipment Service, dependent on assessment by an approved professional. To request an assessment call Adult Social Care Call Centre on 0113 222 4401 or speak to your GP.
