

List of practices I support

Hello my name is Anne-Marie

I am a learning disability nurse (RNLD).

I work in the Health Facilitation Team within Leeds and York Partnership NHS Foundation Trust (LYPFT).

The Health Facilitation Team are a team of health professionals who work strategically with other professionals. We also create easy read and accessible information for people with a learning disability.

We offer support to practices about how to care for people with a learning disability.

We have a website with all our accessible resources on www.learningdisabilityservice-leeds.nhs.uk/get-checked-out/

We offer training sessions, consultations, advice and support regarding learning disabilities and annual health checks.

We can review and validate learning disability registers to ensure they are accurate.

I am the link nurse for the following PCN's – York Road, Seacroft, Holt Park, Crossgates, Burmantofts, Harehills & Richmond Hill, LS25/26, Chapeltown, Central North Leeds and Wetherby.

I am the link nurse for your practice. Please get in touch by emailing anne-marie.barrell1@nhs.net or getcheckedout.lypft@nhs.net
