# Homeless and Health Inclusion Team (HHIT)

Information leaflet

If you require this information in other languages, Braille, large print, or audio format please contact the HHIT Team.

This leaflet uses easy words and pictures.  
You might want to ask someone to help you read it.

## Who are we?

We are the **HHIT** Team.

**HHIT** stands for Homeless and Health Inclusion.

Inclusion means including everyone.

We are a mixed team of nurses, **navigators** and a doctor.

Navigators are people who help to guide you through your healthcare journey.

We are a community team.

We work in the hospital sometimes too.

## Who do we see?

We see adults who are homeless when they are in hospital.

Being homeless might mean you live on the streets, you live in a tent or you live on people's sofas or floors.

We also see Gypsy and Traveller people.

## What do we do?

We listen to what is important to you.

We work with the hospital and other organisations to help you.

We work with the hospital to make sure you are safe when you leave.

We will continue to see you when you leave the hospital.  
This might be for around 6 weeks.

We will support you with long term conditions that might affect your daily life.

We will talk to you about other services that might be able to help you.

**When do we work?**

The HHIT Team works Monday to Friday 8:30am – 4:30pm.
